PRESENTED BY SOURCE FOR SPORTS

THE EDD FOUNDATION

INTRODUCING THE EDD FOUNDATION
Building on Legacy.

Since 1997, the EDD McNeill Memorial Tournament has been a proud part of the sporting community, bringing together young athletes, families, volunteers, and supporters from across Atlantic Canada. What began as a memorial hockey tournament has grown into a longstanding tradition, made possible by the generosity and commitment of those who have supported the EDD over the years.

This year, we are pleased to announce the establishment of The EDD Foundation, a new Prince Edward Island-based not-for-profit initiative that will build upon the tournament's history and extend its community involvement beyond the annual event.
The Foundation has been established to support young participants through sport, with an emphasis on improving accessibility, encouraging personal development, and supporting initiatives that benefit our communities.

Through financial assistance, equipment support, educational and development opportunities, and partnerships with local organizations, the Foundation will work to address barriers to participation and provide opportunities for young people to become involved, develop their skills, and pursue their interests.

THE EDD WAY.

SINCE 1997

OUR AREAS OF FOCUS

Participation & Accessibility
Helping reduce financial and other barriers that may prevent young people from participating in sport.

Personal Growth & Development
Supporting opportunities for education, mentorship, leadership, and personal development.

Community Engagement
Encouraging involvement and cooperation among families, schools, sporting organizations, and community groups.

Recognition & Achievement
Recognizing the contributions and accomplishments of young participants, including sportsmanship, leadership, teamwork, and perseverance.

Partnerships & Collaboration
Developing relationships with businesses, organizations, and community supporters to help fund and deliver Foundation initiatives.

THE EDD FOUNDATION

LOOKING AHEAD

The EDD Foundation is a natural extension of the community involvement that has surrounded the EDD McNeill Memorial Tournament for nearly thirty years.
The tournament will remain an important part of the EDD's identity, while the Foundation will provide an opportunity to support programs and initiatives throughout the year, reaching beyond hockey and into the broader sporting community.

As we begin this new chapter, we recognize the many individuals, families, businesses, and volunteers whose contributions have helped establish the EDD as it is today.

We look forward to building on that support as the Foundation develops its programs, establishes new partnerships, and begins its work in the community.

IN HONOR OF
EDD MCNEILL

The EDD Foundation is proud to carry forward the legacy of Edd McNeill and the values that have guided the tournament since its beginning.
Building on Legacy.

In Memory of John DesRoches

It is with heavy hearts and fond memories that we dedicate this program insertion to John DesRoches, a true member of the community and a beloved figure. We remember John not just for the life he lived, but for the heart, hard work, and dedication he poured into everything he did.

Born to Norma and the late Alfred DesRoches, John spent his youth in Miscouche, PEI. After high school, he briefly explored life in Toronto, gaining experience and enjoying the city's energy. However, the call of home was strong, and upon returning to Miscouche, he quickly joined his father, becoming a familiar face behind the wheel of a dump truck or operating heavy machinery.

John embodied the spirit of a dedicated worker. He was never afraid of a long day, whether he was hauling dirt, managing properties, or tackling any task that would help support the life he and his family built with pride at Day's Corner.

The Second Annual John DesRoches Memorial All-Star Game

Today, we honor his passion and community spirit by hosting the Second Annual John DesRoches Memorial All-Star Game, featuring the Jimmy Tim Conference All-Stars taking on the Jack Day Conference All-Stars.

We extend our sincere gratitude to the All-Star Game sponsors for their generous support:
